70	The Blue River Resource Center Program was started To continue providing Humanitarian Services and Resources Connections on the Mackenzie River (With a Focus on Blue River Proper and the Surrounding Areas). Our activities included opening a resource center for Cascade Relief Team to have a long term presence in the upper Mckenzie Area, after the volunteer cleanup. We Provide easier methods for obtaining better access to services including laundry, case managers, disaster case managers, tools, and resources for rebuilding and replanting. Through our work in Lincoln County we not only knew how long it would take for cleanup crews to arrive but how waiting on cleanup delays the entire process. We took action on the cleanup and immediately put in a resource center so survivors could start on the recovery process sooner than later. Through our close relationship with ODHS Emergency Management and other organizations who have hired Disaster Case Managers our Blue River Team has been able to make huge strides with helping survivors enroll in the disaster case management process. Our Team on the Mckenzie has taken a boots on the ground approach, doing office visits and home visits to help over 80 survivor families get multiple resources they need. from helping navigate the permitting process, loma process, utility process, surveys and more. Our Blue River Team in conjunction with our valor family farm team has worked together to help over 100 families obtain the resources needed to recover and replant on the Mckenzie, after the holiday farm fire.
